The earliest known school in the village was School House Cottage. Situated adjacent to the Manor Room it is shown on the 1840 tithe map. The school moved next door into the Manor Room at some time before 1878 and remained there until a new purpose built school was built on Pleasley Road.

The new school building was opened by the Countess of Carnarvon on 12th February 1906. Land to build the new school was given by Lady Carnarvon and the cost of building was £1351.17s.11d.

Elizabeth Clarke was headmistress in 1906 and following her retirement in 1931 she was succeeded by Hilda Anne Tucker who remained headmistress until 1956. The school finally closed in July 1957.
